

Item Number

64400

Product

Eggs, Grade A LRG Brown Organic

Pack

CASE 15doz

Product

1. Birds must be fed from day one on only certified organic feed; this feed must be grown onland certified free from use of chemicals, pesticides, herbicides, antibiotics, GMOs and any other contamination.

2. Birds must be raised cage-free and have free roaming access indoors.

3. Birds must be allowed outside pasture access, as weather permits, on land that is certified organic.

4. Bird health is treated through natural methods, without the use of antibiotics.

5. Flocks must meet all other USDA organic guidelines for Poultry/Egg Production

Always remember all organic eggs are cage free, but not all cage free eggs are organic.
